Excision/Alteration: Yes.

... Please turn over

Reason(s) for Excision:

Two excisions to the video recording are required to remove depictions of a form of high-risk sexual conduct where a man engages in a practice known as erotic asphyxiation with two women. The depictions do not provide sufficient context to make the dangers clear to viewers. There is no consideration of issues of safety or consent and the women's lack of control over what is being done to them is dehumanising. The depictions of the practice are presented for sexual titillation and carry a real risk of emulation by viewers who are not sufficiently aware of the dangers.
